Josh Way's Section (00:41:01 - 01:21:20)

Kevin 00:41:01 (Octo-tentacle slams surgeon into lamp) This is how Cher reacted when she woke up and saw her latest nose.

Josh 00:41:07 (Push-in on blindfolded Octavius. As him, innocently:) How's the surgery going, guys? Guys??

Bill 00:41:12 (Nurse digs her nails into the floor as she's dragged to her doom) Apparently that floor is made of *marzipan*

Kevin 00:41:20 (Octo-claw slams male nurse against cart) Dr. Ali G, NO!

Bill 00:41:25 (More octo-tentacle violence) Ya know what this hospital needs? The comedic healing of Patch Adams!

Josh 00:41:31 (Chainsaw) This director is shamelessly ripping off the Evil Dead movies!

00:41:38 (crawling camera) See? He's doing it again! What a hack.

Bill 00:41:42 (Octo-tentacle cam split-screen) They say that *tentacle cam* adds ten pounds...

Kevin 00:41:47 (Chainsaw drops to the floor) All in all a surprisingly deft portrayal of the American Health Care System

Josh 00:41:55 (Claw removes Ock's blindfold) SURPRISE!! (singing) Happy Birthday to you...

Bill 00:42:01 (Ock takes in his surroundings. As him with a hangover:) Oh, man... what did I FUSE TO MY SPINE last night?!

Kevin 00:42:09 (Push in on Ock) This is gonna be one tough insurance claim

Josh 00:42:17 ("NOOOOOOOOOO!") DO NOT WANT!!!

Bill 00:42:24 (Ock busts out of the hospital) I'm sorry, sir, but you *must* leave in a wheelchair. Hospital policy!

Kevin 00:42:34 (Ock tosses a cab. As Ock:) Oops, that was my bad. Sorry!

Josh 00:42:40 (Shot of shirtless Ock through broken windshield) Forget the cybernetic tentacles, it's the *man-boobs* that strike fear into me!

Bill 00:42:45 (Doc regards his new claws) Imagine the *hambone* he could perform with those things!

Kevin 00:42:53 (Doc climbs dock) He'd better take some immunosuppressive drugs before his body rejects the CGI

Josh 00:43:02 (Pan to harbor rubble) Oh, God no! All his shirts are GONE!!

Bill 00:43:06 (Closeup on the Doc. Costnerian:) My boat...

Kevin 00:43:09 (Exterior, Daily Bugle) The historic Wiener Building, home of the Daily Bugle

Bill 00:43:22 ("welded right onto his body...") Makes me hot just thinkin' about it!

Josh 00:43:27 (Jameson: "What are the odds?") Quite good, I'd imagine

Kevin 00:43:37 ("Science Squid?" "Crap!") Doctor Calamari?

Bill 00:43:54 ("Lookin' for a raise? Get out!") Go be related to the director somewhere else!

Josh 00:44:03 ("Where were you?" Pete and Robbie exchange looks) What, did these two used to *date* or something?

Kevin 00:44:24 (Jameson laughs uproariously) You may not get "Marmaduke" right away, but eventually it'll hit you and WHAM!

Bill 00:44:38 (Really weird wavy dissolve to dock) Oh, thank God that was just a dream!

Josh 00:44:46 (Ock stands on the dock looking sad. As woeful Ock:) My extensive collection of Garfield pogs... LOST!

Kevin 00:44:57 ("My dream is dead...") And airport security is gonna be a BITCH!

Kevin 00:45:15 ("...along with me" Tentacles snap at him) If he can't control those things himself he might have to call *The Tentacle Whisperer*

Josh 00:45:25 ("Something... in my head!") The theme from Red Dwarf!

Kevin 00:45:31 ("Something talking!") It's probably Sean Hannity

Josh 00:46:08 ("I couldn't have miscalculated!") I used BOTH hands!

Kevin 00:46:17 ("Yessss..." Sexy:) Ladies...

Bill 00:46:24 ("make it bigger, stronger than ever!") And add that workout room!

Josh 00:46:31 ("No no no, I'm not a criminal") I'm just a hideous freak who's murdered a dozen people

Kevin 00:46:40 ("The real crime would be not to finish what we started!") Or to wear Ugg boots with a skirt

Bill 00:46:45 ("We'll do it here...") We'll hold a rap-off!

Josh 00:46:54 ("NOTHING!") From zero to full-blown super-villainy in about five hours. Not bad!

Kevin 00:47:00 (Pan up on Bank manager) Suddenly I'm hungry for *SOUP*...

Josh 00:47:09 ("...not sufficient to re-finance your home") Or purchase gum, for that matter

Bill 00:47:20 (Aunt May kicks bank manager "Ow! Oh, OW!") You withered old *hag*!

Kevin 00:47:32 ("I'm sorry") Now, can I show you some clips from "Flavor of Love?"

Josh 00:47:43 ("a deposit of 300 or more") We'll also need to disturb your husband's grave

Bill 00:47:50 (Bank manager gets up to leave) Now if you'll excuse me, I have to inexplicably walk away from my own desk

Josh 00:48:27 (Ock flings cops) He needs to work on his juggling act

Kevin 00:48:32 (Tentacles grab sacks of money) It's the McDuck fortune!

Josh 00:48:38 (Ock detects Spidey's presence) His Octo-sense is tingling!

Bill 00:48:43 (Ock throws money at Spidey) Large sacks of money being thrown with abandon at a digitized Spider-man; This scene plays like a metaphor for the whole franchise!

Kevin 00:48:54 (Ock grabs more cash to throw) Member F.D.I KILL YOU!!

Bill 00:49:02 ("Oh no, c'mon!!") Uh oh - Arachnile Dysfunction!

Kevin 00:49:05 (Spidey and money fall to the bank floor) This bank's only currency Hanukkah chocolate!

Josh 00:49:12 (Aunt May slaps Bank Manger. "Ooow!" Sarcastic:) THE BEST COMIC BOOK MOVIE EVER!!

Kevin 00:49:20 ("Not anymore!" Kids-in-the-Hallish:) I crush your head!

Bill 00:49:28 (Desks fly toward Ock) This is the most exciting thing to happen in this bank since Joe Piscopo came in to cash a check and forgot his ID and nobody knew who he was so finally he just left. Anyway, back to the movie.

Kevin 00:50:37 (Aunt May's umbrella catches the hand of a statue) What good fortune!

Josh 00:50:40 (Stan Lee saves lady's life) Say, why is that white-haired dude ALWAYS in the crowd during these Marvel superhero battles? Seems pretty suspicious...

Bill 00:50:51 (Digi-Spidey climbs to the rescue) I'll digi-save you!
ALT: I hope Digi-Spider-man has an algorithm for saving old ladies!

Kevin 00:51:01 (Spidey and Ock tumble as they fight) The ages-old war between spider and octopus rages on...

Josh 00:51:08 (More grappling/tumbling/fighting) I think we're watching this movie's love scene

Bill 00:51:15 (Aunt May slips. As her, annoyed:) This is worse than that time I missed the end of *Diagnosis: Murder!*

Kevin 00:51:21 (Ock flings Spidey through a window) Right into Larry and Balki's apartment

Bill 00:53:01 (Cut to exterior - gala scene) Cue ball OF THE GODS!!

Josh 00:53:07 (Interior gala) It's a catered reception to raise awareness of Arachnile Dysfunction

Kevin 00:53:16 (Peter can't get an hors d'oeuvre) Affable misfit or total wiener? You decide.

Bill 00:53:23 ("Over here!" Lens cap gag) The real MARVEL is that he left the house with pants on!

Josh 00:53:31 ("Leave it" Harry breaks a glass) Now that was just *rude*.

bottles I checked

Josh 00:54:00 ("I called you twice!") I need you to hold my wife's hair while she pukes champagne

Kevin 00:54:15 ("Wife.") Now get a shot of us in a broad, unfunny comedy bit!

Josh 00:54:30 ("...the first man to play football on the moon...") David Crosby?

Kevin 00:54:38 ("Captain John Jameson!") Fresh from his trip to Uranus
Bill Now that's just immature!

Josh 00:54:44 (Crowd cheering) They're just excited to see a sober astronaut who hasn't tried to kill anyone

Bill 00:54:52 (Mary Jane locks eyes with Peter) Uh, Ms. Dunst, please don't look at the camera... Ms. Dunst!

Bill 00:55:31 ("I don't know you") But I'm prepared to *tase* you

Kevin 00:55:42 ("I've been reading poetry" "Whatever that means!") It's like words and stuff

Josh 00:55:51 ("Don't start") That is SO 19th century

Bill 00:55:57 ("I'm with John. He'll get me my drink") And he's about 300% less likely to spill it all over himself

Josh 00:56:10 ("even my father...") Have you seen any of those people, by the way? They kinda disappeared after seeing the show...

Kevin 00:56:22 ("can't make an 8:00 curtain" As Peter:) In my defense, you thoroughly suck!

Kevin 00:57:18 (First slap) Ooh, right in the cephalothorax!

Bill 00:57:22 (Second slap) Hey, Kevin, how drunk would you have to be before you'd slap Tobey McGuire?

Kevin I... I don't understand the question.

Bill Fair enough.

Josh 00:57:29 (Dejected Peter) Geez, you kill a guy's dad and he FLIPS OUT!

Bill 00:57:41 ("has just agreed to marry me") And we've chosen to celebrate the occasion by burning Peter Parker in effigy

Kevin 00:57:51 (More sad Peter) No more of MJ's horrible plays or stilted dialog... whatever will he do?!

Josh 00:57:56 ("Take the picture!") I want you to remember this moment as long as you live!

Kevin 00:58:04 (Camera flash cut to exterior) Wow, he is a really BAD photographer!

Bill 00:58:10 (Digi-Spidey cruises in. Comic book narrator style:) Meanwhile, across town, an unconvincing digital simulacrum of Spider-man is belched out by a render farm

Josh 00:58:25 ("Oh no, no!") He needs to understand that this could happen to ANY radioactive spider-man, and it's NOTHING to be ashamed of!

Kevin 00:58:30 (Spidey lands in an alley) I think this is the alley Nick Nolte usually wakes up in

Bill 00:58:35 (Tries his web shooters again, to no avail) It's OK, Spidey, we can just *cuddle*

Kevin 00:58:38 ("Why is this happening to me?") Unconfessed sin?

Josh 00:58:44 (Pan up to window) Looks like Kramer's at home

Kevin 00:58:50 (Starts climbing wall) Wacky Wall Walker: THE MOVIE

Bill 00:58:58 (Begins to slip and fall) Josh, why IS Spider-man losing his powers?

Josh I'm thinking it's dietary. He's probably not predigesting enough houseflies for a spider of his size.

Kevin 00:59:08 (Spidey falls in the water again) Eww, Nolte juice!

Josh 00:59:14 (Spidey finds a conveniently-placed newspaper) His archnemesis *The Propmaster* has been here!

Bill 00:59:20 (Squinting at blurry headline:) "Spicey ham hock top bunk?!" What the-?

Kevin 00:59:29 (Angsty Peter on his bed) Who would have thought that being bitten by a radioactive spider could cause so many PROBLEMS!?

Josh 00:59:38 (Ock working in his new makeshift lab) This is his THIRD attempt to assemble a hutch from Target

Kevin 00:59:46 (Tentacle cigar smoking) Bill, what's the coolest thing you could think of to do if you had robotic tentacles?

Bill Mmm... form a one man jug band?

Kevin And how about you, Josh?

Josh I was gonna say "tango with three women at once" until I heard the jug band idea. That's pretty sweet.

Bill 01:00:02 (Pete's giant mouth) Radioactive uvula!
ALT: Take THAT, Imax audiences!

Josh 01:00:07 ("You seem very OK to me") Completely average.

Kevin 01:00:11 ("My diagnosis? Up here.") Brain tumor

Bill 01:00:18 ("Dreams?") Night terrors? Bed wetting?

Josh 01:00:31 ("but I keep falling") I'm CG, but I'm not convincing

Kevin 01:00:43 ("...a friend of mine's dream" Anxious, defensive:) And it's not even a dream, it's more of a *reverie*

Bill 01:00:50 (Doctor hops up on bed with Peter. Creepily:) Have you heard of 'spank therapy,' Peter?

Josh 01:00:58 ("What does he think of himself?") Eh, he's more into *Iron Man*

Bill 01:01:09 ("Nothing as bad as uncertainty") That'll be four hundred dollars

Kevin 01:01:18 ("that's why you keep falling") And also you're a giant *puss*

Josh 01:01:27 ("I have a choice!") And I choose to stare into space like a mental patient!

Bill 01:01:42 ("...make me sad") It's Uncle Cracker! I mean, Ben. Uncle Ben.

Kevin 01:01:48 ("in love with Mary Jane") At least he hasn't lost his heightened power of whininess

Josh 01:02:04 ("...dreams out into the world") Good parking up there in the heavenly realms

Bill 01:02:18 ("...comes great responsibility") ...and higher taxes

Kevin 01:02:24 ("Take my hand, son" Old, frail:) There's a Werthers in it

Josh 01:02:33 (crying Peter) My three-year-old niece doesn't cry as much as this

SUPERHERO!!

Kevin 01:02:40 ("No, Uncle Ben...") Your hand smells like Ben Gay

Bill 01:02:49 ("I'm Spider-man no more" As Ben, impatient:) Neat. So, uh, does your Aunt May ever speak of me, or...?

Josh 01:02:58 (Peter sitting in bed) Hour seven of his Nyquil bender

Kevin 01:03:07 ("No more...") Ah, good. Being Spider-man No More will give him the extra time he needs to sit around crying and mumbling

Bill 01:03:15 (Peter regards his suit one last time) Ya know, it's a good thing. I always thought that suit made him look "hippy."

Josh 01:03:24 (Stands over discarded suit) Now, to Chess King!

Kevin 01:03:31 (Spider-suit in dumpster) Let's just pray that Jimmy Fallon doesn't happen upon the suit

Bill 01:03:37 (Fade out plus spidey eyes) Well, hey, that was a mercifully short movie! Waitaminute... ah, crud.

Josh 01:03:47 ("Raindrops keep fallin' on my head") This is the kind of music I always heard in my head while reading comics as a kid

Bill Really?

Josh No.

Kevin 01:03:57 ("Nothin' seems to fit..." Peter takes a spill) All the dignity of French Stewart with live ferrets in his pants

Bill 01:04:08 ("Did me some talkin' to the sun...") Now he's free to pursue his lifelong dream of WALKING DOWN A STREET!

Josh 01:04:20 ("those raindrops keep fallin' on my head") Ah, crime rate's through the roof, people living in fear... life is good!

Kevin 01:04:27 (Peter's bicycle tire bounces out the window) So without his suit he turns into Mr. Bean

Bill 01:04:35 (Peter buys a hot dog) No fruit flies today, Mr. Parker?

Kevin 01:04:44 ("Won't be long till happiness steps up" As cops run by:) Jimmy Fallon's on the Empire State Building in a Spider suit! All units report!!

Josh 01:04:51 (Peter does his homework) Wow, hot dogs AND homework? Why would anyone waste their time being a stupid hero??

Bill 01:05:05 (".23 electron volts") He's head of the class in Pseudo Science 101

Kevin 01:05:12 ("Keep it up!") Yes, Professor Character Actor!

Josh 01:05:17 ("Nothin's worryin'..." Freeze frame on Peter) Spider-man 2 will be back

after these messages

Bill 01:05:26 (Mary Jane's play) Ah, "The Importance of Being Ernest," Oscar Wilde's lurid dramatization of the life of Jim Varney

Kevin 01:05:33 (Peter watches the play) Poor guy. No spider sense to warn him about Mary Jane's performance

Josh 01:05:44 (As Peter mouths "Hi." Whispered:) I'm HIGH!

Bill 01:05:47 (Mary Jane says "Hi" back) Is there a special Tony Award for breaking character and saying "hi" to your ex-boyfriend in the middle of Act II?

Kevin 01:05:54 (Stage manager whispers: "I am GLAD!!" As MJ, pissy:) Who cares what mood YOU'RE in, you're just a stupid stage manager!

Josh 01:06:04 ("I am glad... to hear it") Wow. So, Kirsten Dunst is in a movie portraying a sucky actress? That's the type of paradoxical metaphysical quandary you only find in comic books!

Bill 01:06:17 ("you could have told me you were coming") I would have rehearsed!

Kevin 01:06:20 ("I was afraid you'd say 'don't come!'") And then I couldn't write my review for 'LousyRevivalsOfClassicPlays.com'!

Josh 01:06:32 ("I do my homework now") I also go potty by myself! Well, almost...

Bill 01:06:40 ("Peter, I'm getting married" Indignant:) Chow mein is single people food!

Kevin 01:06:52 ("You hadn't decided yet") You were still reviewing applications

Josh 01:06:59 ("talk me out of getting married?") Is that a problem?

Bill 01:07:08 ("You're too late.") I already filled up on dumplings

Kevin 01:07:24 ("You don't understand!") We don't CARE!!

Josh 01:07:32 ("Punch me I bleed!") Do it! Hit him! Woووoo!!

Bill 01:07:41 ("I have to go") Astronauts get cranky when they don't get any Tang
ALTERNATE: I'm helping John practice his "docking maneuvers"

Josh 01:08:14 (Newspaper headline about Doc Ock) Wanted for indecent exposure

Bill 01:08:24 ("...little cocktail weenies") ...and Ramen Noodles and gum!

Kevin 01:08:31 ("third guy this week") It's more of a *crotch* than a head, really...

Josh 01:08:36 ("Where in the hell did you get that?!") Party City?

Kevin 01:09:03 ("...and throw in a bar of soap" As J Jonah:) He's tore up from the floor up! (His line from *Juno*)

Josh 01:09:13 ("daisies off my grave." Robbie cradles the Spidey mask) I never got a chance to tell him how I feel...

Bill 01:09:19 (J Jonah laughs at the suit. As him, callous:) Next I'm goin' after that FRUIT Captain Planet!

Kevin 01:09:48 (Assault in the alley) Google "acquires" another upstart company

Bill 01:09:54 (Peter turns to the camera) Can't "Spider-man No More" at least call the *police*?!

Josh 01:10:01 (Peter walks away) This is the second time he's stood by and chosen not to stop an act of brutality!

Kevin What was the first?

Josh MJ's play.

Bill 01:10:11 ("He was a peaceful man") As long as you didn't mention 'the Democrats'...

Josh 01:10:16 ("and it was all my doing." As her, feisty:) But I warned him not to touch my favorite afghan!

Kevin 01:10:23 (Aunt May turns and walks away. As her:) I better get going. I've got a gig as the rapping granny in an Adam Sandler movie down the street.

Bill 01:10:30 (Peter lingers and looks at the grave) Why so *grave*, Peter? (Sorry!)

Kevin 01:10:37 (Exterior Aunt May's house) Ah, another afternoon at Aunt May's. First they'll choke down some of her stale Russian Tea Cakes, then she'll regale him with stories about the gals in Bible study while he shaves her corns...

Josh 01:11:00 ("and he wanted to drive you...") And I just wanted you both out of the damn house

Bill 01:11:07 ("we'd all three of us be having tea together.") Well, WE'D be having tea.

He'd be licking the inside of a broken bottle of bourbon

Kevin 01:11:24 ("I'm responsible") ...for that smell. Sorry.

Josh 01:11:40 ("to the library but I never went in...") I owe them \$14,000

Bill 01:12:04 ("and he got robbed") But anyway, enough about me...

Josh 01:12:17 ("I wanted... revenge." As May, impatient:) Could you cut to the chase, Pete? I'm gonna miss *Murder She Wrote!*

Kevin 01:12:26 ("I let him... get away..." Annoyed:) So Uncle Ben died of boredom? Wrap it up, kid!

Bill 01:12:35 ("he tried to take Uncle Ben's..." Really irritated now:) The OLD TESTAMENT has a shorter narrative!!

Josh 01:12:45 ("and then he shot him" Cut to Aunt May. As her, incredulous:) He's *still* talking!

Kevin 01:13:01 ("And I, uh..." Peter starts to cry:) Oh, good. The hero's going to weep again.

Bill 01:13:08 ("held his hand when he died...") ...and asked him if I could have his crate of vintage porn...

Josh 01:13:50 (Ock rebuilds his lab) Boy, it is NOT easy installing a home theater by yourself, even WITH robotic tentacles!

Bill 01:13:58 Those are some big-ass Legos!

Kevin 01:14:10 (Lab power comes back on) Now it'll take him an hour just to reset all

the clocks

Josh 01:14:17 ("Just one more little chore...") Gotta DEFROST the FRIDGE

Bill 01:14:21 (Newspaper clippings) Meanwhile, Goblin, Jr. is SCRAPBOOKING

Kevin 01:14:30 ("I'm leaving for the night, sir") Where's my kiss?

Josh 01:14:36 ("Good night, Bernard") Did that actor win a contest or something?

Kevin 01:14:44 So, where does Harry get all his money now that his father's dead and his business in shambles?

Josh He manages a Jamba Juice upstate in Nyack.

Bill 01:14:57 (Loud, approaching thumps. Annoyed:) Great. On top of everything else, the Cloverfield monster's on a rampage!

Kevin Dude!

Bill Bro!

Kevin 01:15:06 (More thumps) No, actually, I think it's Kevin James jogging again!

Josh 01:15:16 (Yet more thumps) No, no, I think it's an hallucination, a sensory manifestation of his deep-rooted guilt and bitterness...

Josh 01:15:25 (Ock attacks Harry) Oh, no, right. It's just the other bad guy.

Bill 01:15:28 (Ock catches Harry's tumbler) Hey, THAT'S what I'd do if I had robotic tentacles - tend bar!

Kevin 01:15:39 ("And I need more of it this time!") And some tentacle lube!

Bill 01:15:47 ("You're a HACK!" Ock dangles Harry over ledge. As Harry, terrified:) You're a HANDsome devil, I mean to say!

Josh 01:15:53 ("Stop! Stop! Alright!" Harry dangles) Man, this is almost as traumatic as being raised by Willem Dafoe

Kevin 01:16:02 ("I'll make you a deal!" As Ock puts him down:) I'll trade you my Spider-man scrapbook for another tentacle ride! Weeee!

Bill 01:16:11 ("give you all the Tridium you need") And the lube?

Josh 01:16:25 ("make him tell you where he is") But be warned, he's even more spazzy and emo than he used to be

Kevin 01:16:37 ("Don't hurt Peter!!") A phrase commonly heard at the piercing parlor...

Bill 01:16:42 (Headline: "Crime Up 75%") Unsubstantiated statistics up 90%!

Kevin 01:16:49 (Woman screams offscreen) Oh no, someone just watched "Gary Unmarried." WHERE ARE YOU, SPIDER-MAN?!

Josh 01:16:56 (Peter looks down at his chest) Waitaminute, I'm not a *stripper*!

Bill 01:17:02 (Building fire rages) Grandpa tried to make a panini

Kevin 01:17:10 ("Someone call the Fire Department NOOOOWW!!") And call a throat specialist!

Josh 01:17:17 ("Where you going?!" Peter runs toward fire) This is a job for EMO CRYBABY!

Bill 01:17:24 (Peter runs through burning building) You know, it's actually quite fortunate that he's "Spider-man No More." That suit was as flammable as a pair of children's pajamas.

Kevin 01:17:33 (Child screams) Sounds like Sailor Moon's trapped in there!

Bill 01:17:40 ("I'm comin' in!") Are you decent?

Josh 01:17:45 (Peter hurts his shoulder) Nice. Might as well send *Ted Raimi* in there to save the day.

Kevin 01:17:50 (Peter kicks in the door. Frat boy voice:) Dude, put it out! The RA's here!!

Josh 01:18:00 (Closet) R. Kelly!!

Bill 01:18:05 (Peter finds a small child) Aw, it's the littlest Inuit!

Kevin 01:18:15 (Floor collapses) Damn Mayor Bloomberg and his Graham Cracker Construction Initiative!

Josh 01:18:25 (Peter prepares to jump the gap) Hey, which of these two do you think has a fuller diaper?

Bill 01:18:35 (Child screams as they dangle. As Peter, irritated:) You're not *helping!*

Kevin 01:18:40 (Peter throttle child to safety) Just throw that anywhere, Peter

Josh 01:18:49 (Little girl helps Peter up) Finally, we have a competent hero in this movie!

Bill 01:18:59 CHILD WOMAN saves the day!
Her powers include super strength and the ability to collect Dora the Explorer stickers

Kevin 01:19:04 (Random guy is pleased) Wesley Willis is impressed!

Josh 01:19:08 (Peter returns child to parents) I hope you folks learned a lesson today about leaving your child in a blazing tenement!

Bill 01:19:17 (Firemen survey the burnt building) I just know that somehow the media's going to blame this on video games

Kevin 01:19:22 (Firemen approach Peter. NY Fireman voice:) Check dis out, Rudy, it's dat punk what got saved by dat little girl!

Bill 01:19:31 ("Never made it out" Same voice:) And it turns out that little girl is a serial killer

Josh 01:19:37 (Push in on Peter) Aaaaand, let me guess... This will make him SAD?

Kevin 01:19:46 (Peter stares out his window) He still upset about the fire?

Josh No, DeviantArt.com is down.

Bill 01:19:53 ("What I need?") Hamlet was well-adjusted and chipper compared with this kid!

Kevin 01:19:59 ("What am I supposed to DO?" Yelled from far away:) Hold on, the script's not done yet!

Josh 01:20:05 ("Oh..." Ursula opens the door) Excuse me, have you seen my *girth*?

Bill 01:20:09 (She quickly leaves and closes the door. Female Latka Gravis:)
"Thenkyouverymuch"

Kevin 01:20:17 (She opens the door again) A chopstick with pig tails!! Oh no, it's her.

Josh 01:20:27 ("Would you like a piece of chocolate cake?") I'm almost done with it.
(*Eating disorder humor. You're welcome.*)

Bill 01:20:34 ("And a glass of milk?" As Peter, abrupt, loud:) STOP SMOTHERING ME!!

Kevin 01:20:43 ("Okay" She leaves) Wow, that was a really short survey

Bill 01:20:49 (Peter finishes his cake. Ursula:) By the way, in Croatia 'chocolate' means 'elk penis'

Josh 01:20:56 (Ursula gets up) Wait - we're supposed to believe that she ate a piece of cake too? These comic book movies are just too outlandish!

Kevin 01:21:07 ("Thank you." Ursula turns to leave. As her:) I'll be eating again in six months, I'll give you a ring!

Bill 01:21:15 ("It's from your Aunt" As Peter slowly reading note:) Dear Peter... you won't believe what that neighbor girl puts in her cake...
